IT'S TIME TO RE-ENROLL!!

Save Money . . . Enroll early. . . Discounts

It is now time to reserve your spot for the 2012-13 school year. GCA strives to keep tuition rates affordable for our families. We know many of you make sacrifices to give your children a quality Christian education. Because of this we have not raised our tuition rates for four years.

Next year, however, there will be a slight increase in the tuition rate of \$50 per month. To offset the increase in tuition a new 12-month payment plan will be available. Also, we have combined the registration and book fee. This discounted fee is \$300 per student; a savings of \$135 over this year.

If you re-enroll during the month of February you will receive a 50% discount off the registration fee. The \$150 will need to be paid during the month of February to qualify for the discount.

All of our teachers are returning next year, and with our newly remodeled facility we are anticipating classes to fill quickly. Open enrollment for new students begins March 1. Early enrollment will guarantee a spot for your child next year and also save you some money.
